Very truly yours,
[Signature]

HIGHLIGHTS OF THE REGULAR TOWN MEETING OF THE VILLAGE OF
ARDENTOWN, INC. - MAY 8, 1978

The meeting was opened with a quorum of 25 residents.

COMMUNICATIONS:

1. Correspondence was received from the New Castle County Council concerning their activities for the year.
2. Correspondence from the Federal Revenue Sharing program indicates that Ardentown will receive \$1699,00 in monies this year.
3. Communications between the Town and the New Castle County Police Dept, assures us that we will receive police protection. Cases of vandalism and/or theft should be reported promptly to the police so that they may take action.
4. Communication to the Candlelight Theater has produced no response concerning the refuse around the building.

REPORTS:

1. The minutes of the Town Meeting of March 13, 1978 were read and approved as amended. Amendment to read- The Safety committee did not present a report.
2. Registration Comm. - No leasehold changes. A get together is planned during the summer for new residents.
3. Treasurers Report - Mr. Brainard is resigning as Town Treasurer due to other commitments.
4. Civic Comm. - The road project is progressing as expected. We will, however, need to remove more substrate material than was anticipated.
About 20 Dogwood trees are needed for the malls. Anyone wishing to donate some small trees please contact Mr. Joe Bell.
Thanks to the planners and helpers who made the Ardentown cleanup a success.
5. Assessment Comm. - The committee anticipates that a charge of \$30.70/1000 sq. ft. will cover our needs. However, more facts will be known when the new school district tax rate is set.
6. Budget Comm. - Anyone desiring a copy of the current budget please contact Jack Brandner.
7. Community Planning Comm. - A meeting was held on April 6 to review the summer conservation program and to accept applications for employment under this program. Three applications were received. ACRA has indicated that it will cooperate with the conservation group on trips and activities.
Mr. Harry Rich agreed to build a bulletin board for the Town, free of charge.
A motion was made and passed that the Town Chairman enter into an agreement for the Village of Ardentown, Inc. with the New Castle County Conservation District to receive \$10,800 to proceed with the conservation project.

3. Safety Comm. - It was recommended that the traffic flow on Millers Road remain the same. Changing the one way direction of this street would be dangerous. It was suggested that Town constables serve a term of two years and then be reviewed by the Town Meeting. Facts and figures have been gathered as to the costs of hiring outside police protection and this data will be reviewed and discussed.

Parking on the malls and greens continues to be a problem. A motion was made and passed that the Town install No Parking signs on the malls and greens.

Ad Hoc Comm. - Bylaws - The bylaws now being developed by this committee would be supplemental to the Act of Incorporation.

The Ad Hoc Comm. is to meet with the Coordinating Comm. to review ideas and to offer and receive new suggestions.

Meeting adjourned at 10:40P.M..

Respectfully,

Sue Coburn
Secretary
