Ardentown Alert

Several Important Issues Will be discussed at the May Town Meeting and we need your input.

• Plans have been made to build 146 townhouses on the Yonca Property (Harvey Rd) pending rezoning. Do you want this to happen? Come out and tell us.

• Long Range Plans are being formed for Harvey Rd. To what extent do you want this road changed? We have an opportunity to state our views, let's do so.

Make every effort to attend this critical meeting.
