OLD BUSINESS:

1. Enno Krebbers said the Harvey Road Traffic Calming Committee is progressing. Enno said Wayne Smith, State Rep, has set up a series of four meetings with many different participants. The result has been better communication and understanding. The Harvey Road and Veale Road intersection will be worked on this summer. The full plan will be brought back to the Towns when we have a firmer plan.
2. David Scott thanked everyone who helped with the woods clean up. David wants a bigger group and bigger area covered next year.

NEW BUSINESS:

1. Hardy Hoegger asked about a special trash pick up for this spring. Charlie explained that the trash company is very good about taking anything we put out. Charlie did not feel we need to pay the extra money for a special pick up.
2. David said we will need to form a By-Laws Committee.
